for visual rehabilitation

November 2012

This is a month of thanks and we at Ensign have a lot to be thankful for. I would like to first start by saying thank you to a wonderful man, Joe Skelton, the chairman of our board. Joe has been with Ensign now for quite some time and is one of our biggest supporters. Thank you Joe! Also, Ensign would like to thank the Lions Clubs of Colorado. From day one when the Fort Collins Lions gave their support, Lions have been an integral part of our success. From Fort Collins to Grand Junction, Sterling to Durango the Lions give monetary support and their time to volunteer with us. In our next phase with the new Onsite low vision assessment program, Lions volunteers are being more supportive than ever before and for that you deserve a huge THANK YOU! We would like to

announce as well that Ensign is looking for the Lions Clubs to provide matching funds for our upcoming LCIF grant request which will help to fund the Onsite program. Remember, Club presentations are available for those interested. To all of you who read, gather information for loved ones, and learn how to help the blind and low vision communities, thank you as well. Did you know that there are over 300,000 individuals in Colorado with significant vision loss? Only 5-10% of them ever receive services that could improve quality of life. With your help we can team up and increase that number to make sure anyone who is in need, knows about Ensign and options.

Ensign's Consignment Program

Ensign is always looking for any used assistive technology components that are in need of a home. If you are in possession of a CCTV or low vision aides and would like to get rid of them we have a great program. Bring the equipment into Ensign and we will put it on consignment. Once we sell it you will get a percentage back. This is a great way for us to find affordable equipment that we can pass along to our clients. If you have questions about dropping off, picking up, or the consignment process call Ensign: 970-407-9999. Also, you can donate any equipment that is no longer useful to you.

Ensign's E-Newsletter

Did you know that we can send our Ensign newsletter right to your email? If interested in switching to our e-newsletter please send a request to Melody@ensightskills.org and we will switch you right away.
