

2023 Eye Ball Partnership Opportunities

To provide people with low vision the services and resources that empower independent and productive living.

Since 2001, Ensign Skills Center has served low vision clients and their families through nationally accredited, comprehensive services including adaptive vision techniques, client and family education, individualized training and visual support tools and products. During this time, we have grown to two front range offices, 5 satellite offices, and a mobile program that allows our program to be accessible.

Greetings!

Enight is busy planning for the 10th annual Halloween Eye Ball. The event for 2023 will be our first year back in person and we cannot WAIT to entertain you all.

For most of us, the ability to see the world around us is a part of everyday life that we take for granted. But, for Colorado residents experiencing vision loss or blindness, their world can become a very isolated place.

The Enight Skills Center is the only non-profit service of our kind in Colorado. The low vision community depends on us for helping people best utilize their remaining vision in order to regain and preserve their independence and quality of life.

To raise public awareness and financial support to reach the growing number of Coloradans who depend on our services, we host many educational events and an annual fundraiser, the Halloween Eye Ball. This year's Halloween Eye Ball will be held Saturday, October 21st from 6:30-10:30 at Lyric Cinema- Motherlode Theater!

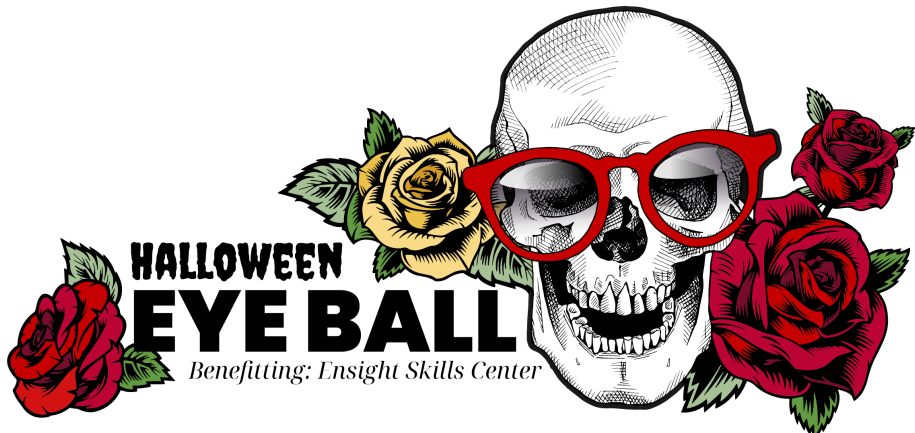

We are contacting you today to ask you to consider a sponsorship opportunity for Enight's Halloween Eye Ball. Your support as an event sponsor will help ensure the success of our work and help Enight serve a greater number of low-vision clients over the next year.

To learn more about Enight Skills Center, a Colorado 501(c)3 non-profit, please visit our website at <http://ensightskills.org> or contact us at (970) 407-9999.

We thank you for your consideration of our sponsorship request. We would be delighted for you to take part in helping Enight create a lasting impact on our community.

Sincerely,
Denny Moyer, President/CEO Enight Skills Center
